Customer Service Policy

Our Commitment

On Side Restoration Services is committed to providing a barrier-free environment for all stakeholders including our employees, job applicants, suppliers, and any visitors who may enter our premises, access our information, or use our services. This commitment extends to clients, families, and volunteers with visible or non-visible disabilities. As an organization, we respect and uphold the requirements set forth under the *Accessibility for Ontarians with Disabilities Act (2005)*, and its associated standards and regulations.

On Side Restoration Services understands that we have a responsibility for ensuring a safe, dignified, and welcoming environment for everyone. We are committed to ensuring our organization's compliance by incorporating accessibility legislation into our policies, procedures, equipment requirements, training, and best practices. We will review these policies and practices annually, as organizational changes occur, or in anticipation of compliance deadlines. In addition, we will strive to meet the needs of individuals with disabilities in a timely and effective manner.

Providing an accessible and barrier-free environment is a shared effort, and as an organization, On Side Restoration Services is committed to working with the necessary parties to make accessibility for all a reality.

Accessible Emergency Information

Where On Side Restoration prepares emergency procedures, plans or public safety information and makes that information available to the public, the information will be provided in an accessible format or with appropriate communication supports, as soon as practicable, upon request. On Side Restoration will provide employees with disabilities with individualized emergency response information when necessary.

Definitions

Assistive device: is any device that helps a person with a disability do everyday tasks and activities. Assistive devices include digital audio players, hearing aid, teletypewriter (TTY) for people unable to speak or hear by phone, mobility devices (such as scooters, walkers or crutches, or white canes, oxygen tanks), and speech-generating devices.

AODA: Accessibility for Ontarians with Disabilities Act

Barrier: is anything that prevents a person with a disability from fully participating in all aspects of society because of his or her disability. This may include architectural or physical barriers, an information or communications barrier, making it difficult for people to receive or send information, an attitudinal barrier, a technological barrier, a policy, or a practice.

Disability means:

- a) Any degree of physical disability, infirmity, malformation or disfigurement that is caused by bodily injury, congenital disability (birth defects) or illness,
- b) A condition of mental impairment or a developmental disability,
- c) A learning disability, or a dysfunction in one or more of the processes involved in understanding or using symbols or spoken language,
- d) A mental disorder, or
- e) An injury or disability for which benefits were claimed or received under the insurance plan established under the Workplace Safety and Insurance Act, 1997.

Service animal: is any animal being used by a person for reasons relating to his or her disability, and it is readily apparent or is supported by a letter from a physician or nurse.

Guide Dog: is a service animal that has been highly-trained to provide mobility, safety and increased independence for people who are visually impaired or blind.

Support person: means, in relation to a person with a disability, another person who accompanies him or her in order to help with communication, mobility, personal care or medical needs or with access to goods, services or facilities.

Customer: is any person who uses the services On Side Restoration.

Redeployment: means the reassignment of employees to other departments or jobs within the organization as an alternative to layoff, when a particular job or department has been eliminated by the organization.

Multi-Year Accessibility Plan

On Side Restoration will establish, implement, maintain and document a Multi-Year Accessibility Plan to identify, remove and prevent barriers and increase accessibility for persons with disabilities, in accordance with AODA. The Multi-year Accessibility Plan will be reviewed and updated at least once every five years and will be posted on the On Side Restoration website. Upon request, a copy of the Multi-Year Accessibility Plan, in an accessible format, will be made available.

Training

On Side Restoration will provide training on AODA, any regulations under it, and the Ontario Human Rights Code as they relate to persons with disabilities, to employees, all persons who participate in developing and approval of the organization's policies and all other persons who provide goods, services or facilities on behalf of On Side Restoration. Training will include the following:

- A review of the purpose of the Accessibility for Ontarians with Disabilities Act, 2005.
- Compliance Requirements
- Information and Communication Standards
- Employment Standards
- Transportation Standards
- Design of Public Spaces Standards
- Customer Service Standards

Use of Assisted Devices

Use of service animals and support persons

On Side Restoration welcomes people with disabilities who are accompanied by a service animal on the parts of our premises that are open to the public except where excluded by law. We will ensure that all staff are adequately trained on how to interact with people with disabilities who are accompanied by a service animal.

Similarly, On Side Restoration is committed to welcoming people with disabilities who are accompanied by a support person. At no time will a person with a disability who is accompanied by a support person be prevented from having access to his or her support person while on our premises. On Side will provide accessible formats and communication supports for persons with disabilities in a timely manner and at no more than the cost for other persons who ask for the same information.

A *Service Animal* is an animal for a person with a disability if it is readily apparent that the animal is used by the person for reasons relating to his or her disability, or if the person provides a letter from a physician or nurse confirming that the person requires the animal for reasons relating to the disability.

NOTICE OF DISRUPTIONS IN SERVICE

Service disruptions may occur at On Side Restoration offices or worksites due to reasons that may or may not be within the control or knowledge of On Side Restoration. In the event of any temporary disruptions to services or facilities that Clients or Guests with disabilities rely on to access or use, On Side Restoration's services, reasonable efforts will be made to provide notice. In some cases, such as unplanned temporary disruptions, advance notice may not be possible.

If a notification needs to be posted, the following information will be included unless it is not readily available or known:

- A description of any alternative options or services
- Services that are disrupted or unavailable
- Anticipated or forecasted duration
- Reason for the disruption

When disruptions occur at any offices or worksites, On Side Restoration will provide notice by:

- Verbally notifying Guests or Clients when they are making a claim or appointment
- Posting notices in conspicuous places including at the point of disruption, at the main entrances, and the nearest accessible entrance to the service disruption and/or on the company website
- By any method that may be reasonable under the circumstances
- Contacting Guests or Clients with appointments

Employment Policy

In accordance with the Integrated Accessibility Standards, Ontario Regulation 191/11, this policy is intended to address and meet the following requirements:

- Recruitment - Selection and Assessment
- Redeployment
- Return to Work
- Career Development - Performance Management and Advancement
- Communication Supports and Accessible Formats for Employees
- Documented Individual Accommodation Plans
- Workplace Emergency Response Information
- Review

Recruitment - Selection and Assessment

On Side Restoration will include on all public and internal job postings that accommodation may be available for job applicants who have disabilities. Upon request, for the interview process and for other candidate selection methods, applicants will be informed that these accommodations are available. Where an accommodation is requested, On Side Restoration will consult with the applicant and provide or arrange for suitable accommodation. Successful applicants will be made aware of On Side Restoration's policies and supports for accommodating people with disabilities.

If a selected applicant requests an accommodation, On Side Restoration, will consult with the applicant and provide, or arrange for the provision of, a suitable accommodation in a manner that takes into account the applicant's accessibility needs due to disability.

Redeployment

The accessibility needs of employees with disabilities will be taken into account, including individual accommodation plans, in the event of the redeployment of employees.

Return to Work

On Side Restoration will develop and implement return to work processes for employees who are absent from work due to a disability and require disability-related accommodation(s) in order to return to work. The return to work process will outline the steps On Side Restoration will take to facilitate the employee's return to work and shall use documented individual accommodation plans.

Career Development - Performance Management and Advancement

On Side Restoration will take into account the accessibility needs of employees with disabilities when offering career development or advancement opportunities or implementing performance management processes. Individual accommodation plans will be consulted, as required.

Communication Supports and Accessible Formats for Employees

On Side Restoration will make our employees are aware of our policies for employees with disabilities and any changes and updates to these policies as they occur. Upon an employee's request, On Side Restoration will provide or arrange for the provision of accessible formats and communication supports for the following:

- General Information that is available to all employees in the workplace (hardcopy or digital).
- Information needed in order to perform his/her job.

In determining the suitability of an accessible format or communication support, On Side Restoration will consult with the employee making the request and determine the best way to provide the accessible format or communication support.

Documented Individual Accommodation Plans

On Side Restoration will develop accommodation plans for employees with disabilities. The following elements will be included in the development of an individual accommodation plan:

- The employee will be consulted in the development of the plan, including how the employee will be assessed in the plan.
- The employee may request an evaluation by an outside medical expert at the cost to the company to determine how the accommodation can be achieved.
- All personal information about the employee will be kept strictly confidential for security purposes
- The plan will include the duration and frequency that it will be reviewed and updated.

- The plan will be provided in a format that meets the accessibility needs of the employee.

Emergency Response Plan

Where required, On Side Restoration will create individual workplace emergency response information and plans for employees with disabilities. This information will take into account the unique challenges created by the individual's disability and the physical nature and environment of the workplace, and will be created in consultation with the employee. This information will be reviewed when:

- The employee moves to a different physical location within the organization.
- The employee's accommodation needs or plans are reviewed.
- On Side Restoration reviews general emergency response policies and individual emergency response plans.

Review

This policy will be reviewed regularly to ensure that it meets all current practices as well as legislative requirements.

Feedback process

The ultimate goal of On Side Restoration is to meet and surpass customer expectations while serving customers with disabilities. Comments on our services regarding how well those expectations are being met are welcome and appreciated.

Feedback regarding the way On Side Restoration provides services to people with disabilities can be made by letter, e-mail or verbally. All feedback will be directed to Customers and can expect to hear back within 5 business days.

On Side Restoration will continue to ensure that its process for receiving and responding to feedback is accessible to persons with disabilities by providing, or arranging for the provision of, accessible formats and communications supports, upon request.
