

COMMERCIAL PROPERTY RESTORATION

**ON YOUR SIDE,
WITH FAST & EFFECTIVE SERVICE.**

ON SIDE
RESTORATION®

Performance demonstrated.
Every day.

With branches Nationally, we respond 24/7 to all types of losses. Whether you have a small unit, large scale industrial, experience vandalism or a catastrophic natural disaster, On Side is at your service.

REDUCE DOWNTIME! WE GET PROPERTIES BACK TO PRE-LOSS CONDITION QUICKLY AND WITH NO SURPRISES!

Our expert Commercial Project Managers understand the urgency and potential complexities that may arise when dealing with commercial properties. We leverage proprietary software, 3D technology and video procedures to quickly get clients back to business, with many seeing value within just 24 hours.

ENGAGE OUR SERVICES AND GET BACK TO WORK.

CONSISTENCY: No matter what the size or location of the project, stakeholders can take comfort knowing that all On Side branches use the same processes, protocols and pricing so your expectations are consistently met.

TECHNOLOGY ENGAGEMENT: On Side continually invests and develops new technology processes that involve video, 3D imagery, drones, apps, GPS tracking and our own proprietary software system called MyClaims. Data and imagery is uploaded from our field staff via mobile technology to allow for real time accessibility by stakeholders anytime, anywhere.

DEPTH OF RESOURCES: All On Side branches use and share resources, protocols and pricing so you can always know what to expect. We are over 1,200 people strong, operating thousands of pieces of equipment daily. At a moment's notice, we can also engage our two dedicated catastrophe trailers that contain a full inventory of drying equipment.

TIMING AND TURNAROUND: Our 24/7 live Contact Centre responds within moments of a request being received. Our in-house agents are knowledgeable and customer service focused. They set up files, dispatch technicians or answer inquiries for staff and clients around the clock. No matter what city or province the project resides, we are on your side and ready to serve.
